Gone Home

It is with a heavy heart that we say goodbye to Billie Ann Armstrong. Billie passed away at her home on February 28, 2021 with her daughter beside her. Billie was married to the late Robert Armstrong, a retired Chief from the US Navy. She is survived by her 8 children, 15 grandchildren, and "many, many great grandchildren".

She loved to bake and cook for her family and friends. She was a Manager of South Shore Elementary School Cafeteria for many years. She was also a Volunteer at Herald Harbor Volunteer Fire Dept. 6 for many years. They were her "other family" as she would always say. She loved her Community of Palisades on the Severn and made many wonderful memories. She moved here in 1973 and lived here ever since. Billie always wanted to make sure the people she loved knew how important they were to her. Billie, you will be sorely missed.

Congratulations to all of our Graduates!!

Congratulations on your graduation and best wishes in your next adventure! We are proud of you! *"All I need is within me now, and I have the courage to see it through."* -Tony Robbins

Beach WorkDay was a SUCCESS!

Thanks go out to all who lent a hand at the Beach Clean Up day. Special thanks to Paul O'Hearn for organizing the event! The beach was cleared of grass and debris, the playground area was mulched, the finger pier was stained, the kayak rack was expanded, the curb at the

circle was repainted, and stainless steel dock ladders were installed. Many thanks to Ed Roderick for repair and painting of the pier bench and for the many years of maintaining the wooden ladders. Thanks again to all who came out to help!
